How it works:

1. Call or email us to book your party.
2. Your chosen themed decorations and activities are carefully packed in our office under strict hygiene rules by our team.
3. Choose your preferred delivery date and time, and your Family Birthday at Home Package will be delivered by one of our managers.
4. Everything arrives packaged and organised in a box, with balloons pre-made in bespoke bunches.
5. Follow the included instructions for how to decorate the room (either with your child or as a surprise!).
6. Follow the included instructions for the games, treasure hunt, art activities, tattoo parlour and even disco.
